

May. 11 /74.

Mr. Ralph Hocking President of ETC.

Hello!      Ralph & Sherry.

You have been happy? should be happy.

Now, I enclosed your key in this envelope. it will be  
new key for new Video synthesizer. I am making new machine  
for you.. it has several extra facility. which has

- o 3 to 5 Audio generator
- o one keying circuit
- o 2 Mix ~~er~~ Mixer & switcher
- o Sync generator included
- o Voltage controlled variable Delay line

Size of new machine is just twice taller than first model of your  
ETC's. but this does not need EXTRA Audio generator's for Scan  
converter, you will save your space problem and too complicated  
wiring. This will be finished by November of this year.

Price might be expensive :-- \$ 3,500 ~ 3,700 it is not sure... .

this will be fixed soon but, inflation will decide all of all.
